**2008-2011 Total: \$70,000**  
 40 qualified graduates  
 1 ABIDE house construction  
 8 staff  
 2 vehicles  
 8 student scholarship  
 90 per cent success rate

*8 out of 40 graduates were JAM sponsored children (other ABIDE students supplemented by the community)*

2012 and on will be increasing JAM high school graduates – first full cycle of 2004 children

**ABIDE STRATEGIC PLAN 2012 – Replicating the house-based discipleship/leadership model**

Purchase land and building the second ABIDE house while developing a national team of four staff equipped and experienced to operate the program for 12 students each year.

Promote and Raise \$50,000 by January 2012:

1. Land in Kabale, Uganda	\$15,000
2. Construct the Second ABIDE house	\$25,000
3. Operate the program for the next year	\$10,000

Select and train a women leadership team who will develop the ABIDE model to serve young ladies in the program being relevant to their unique needs and situation. Open a pilot program in 2013 as a test of the leadership and developing female course.
